SHAKTI SUSTAINABLE ENERGY FOUNDATION 104B/2, 4th Floor, The Capital Court, Munirka (Phase-III), New Delhi-110067 (EXCLUSIVE FOR FCRA PURPOSES) SCHEDULES TO THE ACCOUNTS (contd.)

10. Notes to accounts

1. Company overview

Shakti Sustainable Energy Foundation ('The Company') was incorporated on October 5, 2009 and is a company licensed to operate under section 8 of the Companies Act, 2013 with share capital. The main objective of the Company is to promote an environmentally sustainable and secure future for the India's citizens by supporting activities that contribute to preservation of the environment, including low carbon development and sustainable energy policies and to support policies which promote energy efficiency, sustainable transportation and renewable energy.

2. Significant accounting policies

a. Basis of preparation

The Balance Sheet and Statement of Income and Expenditure are prepared on accrual basis under the historical cost convention.

b. Use of estimates

The preparation of financial statements in conformity with the generally accepted accounting practices requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities, at the date of the financial statements and the results of operations during the reporting year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from those estimates. Differences between the actual results and estimates are recognised in the year in which the results are known/ materialized. Any revision to accounting estimates is recognised prospectively in current and future periods.

Contingencies are recorded when it is probable that a liability will be incurred and the amount can be reasonably estimated.

c. Property, Plant and Equipment

Property, Plant and Equipment are stated at cost less accumulated depreciation. Cost comprises the purchase price and any costs attributable to bring the asset to its working condition for its intended use.

Intangible assets are recorded at the consideration paid for acquisition.

d. Depreciation

The Company is following written down value method of depreciation in respect of its tangible assets as per the useful life prescribed in Schedule II to the Companies Act, 2013.

Intangible assets comprise of Computer software which is amortized over a period of three years on a straight line basis.

Assets costing up to Rs.5,000 each are depreciated fully in the year of purchase.

e. Grants and donations

Grants against specified purposes and stipulations that limit the use of the grants are recognized as income in the Statement of Income and Expenditure in the period in which relevant expenses, as identified by the Management, are charged to the Statement of Income and Expenditure.

In case, the terms stipulate that the income earned on specified grant shall also be used for the same purpose for which such grant was made, the same is credited to respective grant balance.

Grants utilized for acquisition of capital assets are credited to Capital Grant in the Balance Sheet. Such grants are recognized in the Statement of Income and Expenditure on a systematic and rational basis over the useful life of the fixed assets. The allocations to the income statement are made over the periods in the proportion in which depreciation on the related fixed assets are charged to statement of income and expenditure.

f. Interest income

Interest is recognized using the time proportion method based on underlying interest rates.

g. Expenditure

Grants (other than core grants) made for projects carried out through various grantees are accounted for on the basis of utilization certificate/statement submitted by the grantees and approved by the management.

Core Grants to grantees, pursuing objects similar to those of the company, to support their organizational and project thematic costs are expensed off in the year of release of such grants.

2. Project/ Programme Related Expenditure

During the year, the management for clearer representation of the expenditure, identified the expenditure related to employees who are primarily engaged in various Projects / Programmes and has classified the same under 'Project/ Programmes Related Expenditure in Schedule 7. On similar lines, some other expenditure relating to the Projects / Programmes, as identified, is shown under the head 'Others' in Schedule 7 - 'Project/Programme Related Expenditure'.
